Home Comfort Systems

15GCSX

Remarkably efficient comfort

LENNOX

where comfort exceeds
innovation never felt so good.™

Dave Lennox *Signature*[®] Collection 15GCSX Packaged Gas/Electric Unit

Innovation never felt so good.[™]

Sleek, newly designed cabinet allows easy installation in almost any residential setting

Enhanced performance and reliability

Two-stage heating and variable speed blower operation provide greater efficiency and improved indoor air quality

High cooling efficiency can significantly reduce your energy bills and also make you eligible for utility rebates*

Unique, Indoor Air Quality (IAQ)-ready design provides the option for fresher, cleaner indoor air

Ozone-responsible R410A refrigerant meets the EPA's (Environmental Protection Agency) most stringent guidelines

Lennox[®] System Operations Monitor continuously reviews system performance for added peace of mind and faster servicing

ENERGY STAR[®] qualified*

EFFICIENCY RATING

Up to **15.00 SEER** (Seasonal Energy Efficiency Ratio) and **78% AFUE** (Annual Fuel Utilization Efficiency).

WARRANTY**

20-year limited warranty on the heat exchanger.

10-year limited warranty on the compressor.

5-year limited warranty on covered components.

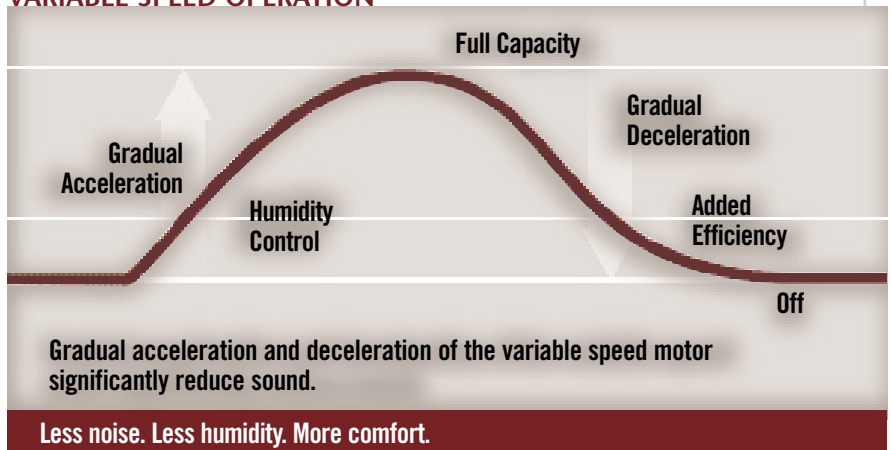

Comfort is something we all want in our lives and home environments.

Lennox' 15GCSX packaged unit provides exceptional comfort with two-stage heating and variable speed blower operation, minimizing the up-and-down temperature changes associated with standard units.

EXCEPTIONAL COMFORT. MONEY-SAVING EFFICIENCY. ALL IN ONE SLEEK, STREAMLINED PACKAGE.

The 15GCSX increases your comfort, while reducing your energy costs. Designed with the finest features available, the 15GCSX takes comfort technology to new heights, so your utility bills can reach new lows. You gain comfort and save money—season after season, year after year.

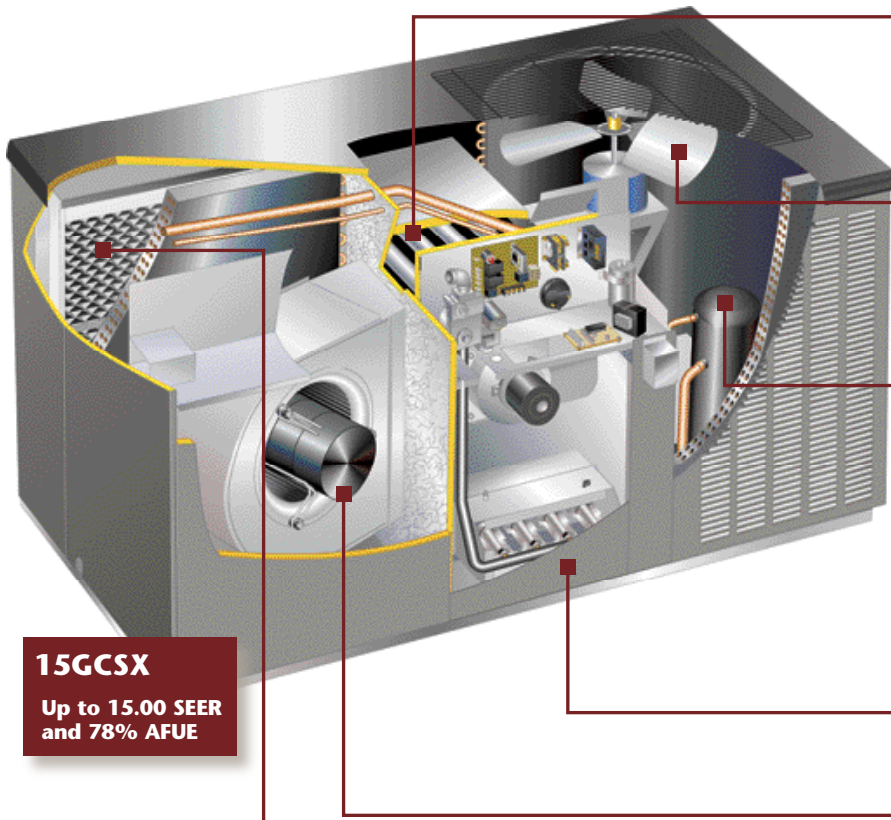

VARIABLE SPEED OPERATION

*Your new packaged unit may qualify for local utility rebates or state tax credits. Call the utility company in your area for more information about any incentives available for ENERGY STAR[®] qualified heating and cooling equipment.

**Applies to residential applications only. See actual warranty certificate for details.

OUTSTANDING FEATURES FOR EXCEPTIONAL COMFORT, YEAR AFTER YEAR

15GCSX
Up to 15.00 SEER
and 78% AFUE

- Tubular Heat Exchanger** – Provides excellent heat transfer and superior airflow control for years of efficient, reliable operation.
- Internally Mounted Outdoor Fan** – Significantly reduces operating sound (vibrations) and allows easier servicing.
- Dependable Scroll Compressor** – Provides reliable and efficient operation.
- Two-Stage Heating** – Runs at low-stage heat most of the time, providing high-efficiency performance.
- Easy-Access Control Panel** – Allows faster servicing.
- Variable Speed Blower Motor** – Precisely controls the flow of heated and cooled air for improved comfort.
- Lennox® System Operations Monitor** – Continuously monitors system operation for added reliability and faster, more accurate servicing.

IAQ-Ready Design – Can be easily equipped with an internally mounted PureAir™ Air Purification System for improved indoor air quality.

PureAir™ Air Purification System—
Cleans the air in your home better than any other single system you can buy

Note: Due to Lennox' ongoing commitment to quality, all specifications, ratings and dimensions are subject to change without notice.

Proper sizing and installation of equipment are critical to achieve optimal performance. Split system air conditioners and heat pumps must be matched with appropriate coil components to meet ENERGY STAR® criteria. Ask your Lennox dealer for details, or visit www.energystar.gov.

CUSTOMIZE YOUR COMFORT

Lennox® heating, cooling and indoor air quality products are designed to provide efficient, economical comfort—not only as individual units, but also together as an integrated system. This combined network of products delivers on every comfort count, from consistent temperatures and balanced humidity to improved indoor air quality. Lennox also offers a line of residential generators, which provide safe, reliable standby power in the event of outages.

DEALERS YOU CAN COUNT ON

Choosing the right dealer for your home's heating, cooling and air quality needs is every bit as important as choosing the right brand. We think you'll agree our independent dealers are a big reason you can count on quality customer service whenever you call. Your Lennox dealer's dedication to quality shows in his knowledge, training and expertise in designing the right system for your home, installing it properly and keeping it running perfectly for many years to come.
