

92.1% AFUE GKS9 MULTI-SPEED GAS FURNACE

QUALITY MANUFACTURED
HEATING THAT REDUCES
OPERATING COSTS WHILE
ADVANCING HOME COMFORT.

- **10-YEAR UNIT REPLACEMENT LIMITED WARRANTY**
- **LIFETIME HEAT EXCHANGER LIMITED WARRANTY**

Air Conditioning & Heating

ENERGY EFFICIENCY IS KEY TO CONTROLLING THE COST OF HEATING YOUR HOME.

TURN TO GOODMAN FOR RELIABLE WARMTH AND MONEY-SAVING ENERGY EFFICIENCY.

As a homeowner, you try to find a balance between your family's comfort and your monthly energy costs. To meet those needs, we've developed the Goodman® 92.1% AFUE High-Efficiency Multi-Speed Gas Furnace. It's one of the most impressive furnaces we make, and we built it with your comfort in mind.

What should you expect from your Goodman 92.1% AFUE High-Efficiency Multi-Speed Gas Furnace? How about superior performance, efficiency and affordability? That's just what you'll get with Goodman.

YEAR-ROUND ENERGY EFFICIENCY

Energy efficiency is key to controlling the cost of heating your home. This furnace's 92.1%

AFUE rating means 92.1 cents of every \$1.00 of heating energy expense warms your home. Some older central heating systems rate at 60% AFUE, meaning only 60 cents of the gas burned contributes to your home's heating. The remaining 40 cents is lost energy – wasteful and expensive.

Plus, at 92.1% AFUE, your Goodman GKS9 Furnace meets the higher standard of the Environmental Protection Agency Energy Star Program.

QUIET OPERATION

Your Goodman GKS9 Furnace uses a multi-speed blower motor and sound-isolated blower assembly to reduce the noise levels common in other furnaces. Add a insulated, heavy-gauge steel cabinet, and the result is...extra-quiet comfort.

RELIABILITY AND LONG LIFE

The heart of any furnace is the heat exchanger. Our patented, TuffTube™ aluminized-steel tubular heat exchanger and stainless-steel recuperative coil have been tested to the highest industry standards. We guarantee their performance and back it with a Lifetime Heat Exchanger Limited Warranty and a 10-year Furnace Replacement Limited Warranty.

For further safety and reliability, your furnace utilizes an energy-saving Hot Surface Ignition system, featuring a Norton Mini-Igniter and a patented Adaptive Learning Routine that helps insure safe start-ups and maximum igniter life.

Additionally, the Goodman GKS9 Furnace is designed to minimize NOx emissions, contributing to better air quality inside and outside of your home.

*Unmatched performance, efficiency and affordability.
That's just what you'll get with Goodman.*

QUALITY MANUFACTURING BACKED BY WARRANTIES AND SERVICE

INDUSTRY-LEADING WARRANTIES*

We guarantee your Goodman GKS9 92.1% AFUE High-Efficiency Multi-Speed Furnace with a Lifetime Heat Exchanger Limited Warranty* to the original, registered homeowner and provide a 5-Year Limited Warranty on all functional parts. And if the heat exchanger fails within the first 10 years of use by the original, registered homeowner, we'll provide a replacement furnace for free!

For even greater protection and worry-free ownership, ask your Goodman dealer about GoodCare®, an affordable extended parts and labor warranty for your entire system.

GoodCare®
EXTENDED SERVICE PLAN
Provides Years of
Worry-Free Coverage

GUARANTEED QUALITY

From Goodman, you can depend on well-designed, top-quality, thoroughly tested products, backed by the best standard and extended warranties in the industry. Every single furnace and air conditioner is run-tested before

shipment to help ensure a trouble-free installation and long product life.

NATIONWIDE SUPPORT

With more than 700 distribution locations and thousands of dealers coast-to-coast, you can be confident that a qualified service provider is always close by.

EXCEPTIONAL VALUE

As the second largest unit manufacturer of residential air conditioning and heating products, we have successfully negotiated high-volume material purchasing contracts from the highest-quality manufacturers in the world, which keeps our unit quality high and the manufactured cost low.

Simply put, Goodman offers the best product value for the investment of any air conditioning and heating manufacturer in the U.S.A.

MAJOR FEATURES OF YOUR GOODMAN GKS9 FURNACE

Aluminized-Steel Tubular Primary Heat Exchanger; Stainless-Steel Secondary Heat Exchanger

Quiet, Efficient Hot Surface Igniter

Powder-Paint Finish

Corrosion-Resistant Vent Blower

Electronic Ignition Control

Multi-Speed Blower

Energy Star® Climate Zone	City in Climate Zone	92.1% AFUE Savings over 60% AFUE	92.1% AFUE Savings over 80% AFUE
4	Seattle	\$2,187	\$618
6	Minneapolis	\$1,846	\$522
5	Newark	\$1,731	\$489
4	St. Louis	\$1,486	\$420
3	Atlanta	\$1,247	\$353

1) The higher the AFUE, the greater the efficiency – and the lower the operating cost. AFUE (Annual Fuel Utilization Efficiency) is the industry measurement used by the Department of Energy.

2) These figures represent the heating cost savings of a 90,000 BTUH system at \$1.415/Therm and are based on formulas published by the DOE and EPA.

3) These figures are for comparison purposes only. Actual savings will vary according to personal use habits, square footage, location, how your unit is installed and the construction of your home.

Goodman®

Thank goodness for Goodman.™

**GOODMAN MANUFACTURING COMPANY –
A RECOGNIZED INDUSTRY LEADER**

Founded in 1982, Goodman Manufacturing Company, L.P., has grown into the second largest residential air conditioning and heating unit producer in the United States by providing the three most critical elements of customer satisfaction – quality, value and support. We invite you to compare... you'll be glad you did!

Air Conditioning & Heating
